ANNEX MIDNIGHT ELECTIONS

The Annex held our Plant elections for the Midnight Committee Person to replace Brother Jim Voakes who retired. All the candidates ran a good campaign and showed great Solidarity towards each other. The new Midnight Committeeperson is Art Bombardier. On behalf of the Annex membership I would like to wish Art the best of luck on his new position. Our Union office looks forward to working together with Art to help build a better work place.

UNION MEETINGS

I would like to take this opportunity to welcome everyone to come out to our monthly membership meetings. They occur the last Wednesday of each month at the Union Hall @ 1855 Turner road starting at 4:15 pm. These meetings are important for the future of our membership and during these tough times within our industry it is the best tool to keep the people updated with information.
