

## **AUGUST 2009 WEBSITE REPORT**

### **PENSKE**

#### **BID STATUS**

There is no new information on the status of the bid. Our current contact with Ford Motor Company has been extended thru shutdown and will now take place August 24, 2009. Penske Logistics have already place they're bid and are awaiting word from Ford.

#### **ALTERNATE REP. POSITIONS**

There has been a lot of talk about the alternate rep. positions. When a Saturday or Sunday op. is offered and the current rep. for the shift chooses not to work, then that rep. has the right to choose any capable union member who he/she feels can intelligently fill the positions despite overtime hours.

#### **NEW HIRES**

Within the last two months, the union has placed tremendous pressure on the company to fill any open positions instead of offering overtime. In the last two months, Penske has hired 4 TPTs to cover S&A people and to help with vacation replacement. All four people have come from the CAW Local 200 Workers Adjustment Center.

#### **ENJOY SUMMER SHUTDOWN**
