Wednesday January 26th 2005 CAW Local 200 Monthly Membership Meeting was attended by the largest number of members in recent history.

At this meeting the rank and file raised many concerns regarding overtime. Members spoke of their personal hardships due to layoffs. **The following motion from the floor was moved, supported and carried**

“UNANIMOUSLY”

“NO MEMBER WILL WORK IN EXCESS OF EIGHT (8) HOURS A DAY WHILE ANY MEMBER IS ON LAYOFF”

The Local Executive is extremely proud of our members' determination to tackle the issue of overtime. The Company continues to use excessive overtime to cover jobs while our laid off sisters and brothers are struggling every day to take care of their families.
