

## OCTOBER 2006 WEBSITE REPORT

### WINDSOR CASTING

Windsor Casting presently have 493 employees on role.

Blocks are running on a five day operation at approximately 650 a day or 220 an hour. As of the week of October 16/06 we are no longer producing the 3.9l FWD block.

Cranks are also running on a five day operation. The 3.0l crank is to cease production in the fourth quarter of 2006. The Company will be looking to reduce manpower to coincide with the loss of these products

#### **Run For The Cure.**
