Yes, our 4th annual yard sale at the Local 200 hall is quickly approaching. This year it will take place August 25th with a rain date being August 26. Proceeds go to Run for the Cure and Computer for Kids. With our lives being so busy why not start simplifying by taking this opportunity to clean out the back room, the children's play room, the garage, shed and donate to two wonderful charities. A trailer has been made available for items to be dropped off at 4150 Sandwich Street W. directly behind the Computer for Kids building during regular business hours. If you need items to be picked up please contact the following women. Deb Budzynowski (Fassette) at 519-999-5882 or Deb Logan at 519-974-9779.

The Run for the Cure walk will take place September 30th. Pledge forms will be available at the beginning of September.

To everyone have a wonderful and safe summer.
